Subject: Certification of model SANIGRIND and SANIPACK.

Dear Mr. Spinks:

We have completed the certification testing for the above mentioned models and have found it satisfactory to the following requirement:

ASME A112.3.4-2000 MACERATING TOILET SYSTEMS AND RELATED COMPONENTS
B45.9-02 MACERATING SYSTEMS AND RELATED COMPONENTS

The certification report will be number 158965-1538159 with project revision 1664954. This report contains the certificate of compliance as well as a product description for each model approved. The following will be the applicable mark to be displayed on each component adjacent to the manufacture's identification located where visible after installation:

Please note your certification number in any future correspondence regarding the above mentioned product.

Thank you for your certification business, and we look forward to working with you in the near future.

If you have any questions or concerns, please feel free to contact me.

Best regards,
